

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Daniel Karrip v Hamilton Mortgage Co.**

Docket No. **283867**

L.C. No. **06-004602-CH**

Henry William Saad, Chief Judge, acting under MCR 7.217 and MCR 7.219(I), orders:

This appeal was involuntarily dismissed on September 3, 2008, for failure to ensure the timely filing of the appellants' brief. The 21-day period for filing a motion for reinstatement expired on September 24, 2008. Roughly nine months later, on June 17, 2009, appellants filed an untimely motion for reinstatement which the Clerk's office accepted as required by MCR 7.217(D). The motion indicates that it was filed outside the 21-day period because appellants' counsel was involved with several other litigation matters that took up a larger portion of counsel's time than was budgeted.

The motion for reinstatement is DENIED. Attorney James Dimitriou II, has failed to establish a reasonable basis for his nine-month delay in moving for reinstatement.
